12. Suggestions (if any)

11 responses

Increase faculty and take college placement

Try to improve lab systems. Library facility can be improved because of lack of Books. Classroom facility is must to change for 2nd and 3rd year students.

Classrooms for BCA should be change

There are many situations where gnsr.ac.in wesite not updated for examination form and other purpose even in the last date, the students section does not know properly about information, there is many unsertinty in teaching point of view.

Na

• Teachers should connect with students • other activities should be organized by college • A high need of Beautiful campus with good enviorment

Lab facilities has to be improved
