

Government N.P.G. College of Science, Raipur

Science Club Activities

The Science club celebrates National Science Day every year on 28th February in the memory of Nobel Laureate and great Scientist Sir C.V. Raman. The duration of event may be one two or three days depending on the availability of students and staff. The main activities are Poster Rangoli and Science Model competition on different themes proposed by the Science and Technology Department Govt. of India. Principal constitutes the Science Club with a Convener and 3-4 members. The science club activity since 2014 to 2018 is attached here for the information. The structure of Science Club is as follows:

Dr Rajeeva Guhey Coordinator/ Convener

Dr Kiran Bala Dube Member

Dr Neetu Singh Member

Dr Deepali Rajwade Member
